The Dy Commissioner's report in regard to the first claim is Contained in his letter No. 1120 of 23-6-07 wherein he expresses his opinion that the Jodidar has sustained no material loss during the time the land remained in the possession of the Forest Department, as the forest growth has improved a great deal by rearing Bilwam and Bamboos thereing and that therefore the claim for Compensation is inadmissible.

As regards the second, the Dy Commissioner thinks that the claim is reasonable and states that the Asst Commr of the Maddagiri Sub-Division recommends the refund of Rs 125-15- to the Jodidar Calculating the quit-rent and local cess for 39 years (from 1868 upto 31st May 1906) at Rs 3-3-8 per annum over the Area of 100 acres of land which was in the possession of the Forest Dept during that prd

Govt. rent / local cess for 39 years may as proposed be sanctioned. With regard to compensation for not being able to remove the forest produce from the tract the D.F.O. has assigned cogent reasons why it should not be admitted. In the first place owing to the situation of the tract very little forest produce can be removed from it, as it is far away from the road. The steps taken by the Forest Dept. to conserve the area have greatly improved it and in reducing the tract no compensation has been claimed for what has been done for this purpose. As no damage has been proved, the claim for compensation may be rejected

In the order of 1905 recognizing the claim of the Podidar to 100 acres of land wrongly included in the Forest, it is stated that from 1868 to about 1898 there was no interference whatever with the ordinary enjoyment of the land by the Podidar & his ryots and that it was only after & shortly before 1898 that free grazing was prohibited & the Podidar's title denied.

x It is stated that no transport whatever by any means is feasible except by head loads over a distance of 2 miles across hills & rugged ground & local inquiries show that no forest produce save a small number of small bamboos was removed from there for areas during the formation of the Forest.

There is thus no sufficient reason either to give the Jodidar compensation for loss of forest produce or even refund of proportionate quitrent, up to 1898. From 98 to 1905 refund of quitrent may be given as during the period the title was denied & grazing & use prohibited

The area taken by the Survey is strictly correct & according to it Rs 26 only would be payable - But it is admitted that some kumbaas were taken, & it is impossible to say that in a long series of 39 years little or no produce was taken by or on behalf of Govt - The Dy Collr may therefore be informed with full explanatory reasons that strictly speaking only Rs 26 are due - but as a special case Govt will be disposed to sanction Rs 100 more & make the amount Rs 126 if the Jodidar will accept this as a full & final settlement of all her claims -

(*Continuation Sheet draft form.*)

Under the decision of Govt. communicated to the Court of Forests and to the Dy. Comm^r of Tumkur, with memo No. 2275-6 F. 18.03 dated the 19 August 1905, one hundred acres of the petitioners' land which had been wrongly included in the Maddigiri State Forest were restored to her. She now claims compensation for the forest produce removed from the area during its occupation by the Forest Dep^tt and also the refund of quit rent paid by her to Govt. for the said period.

As stated

2. In the above order it is stated that from 1868 to about 1898 there was no interference whatever with the ordinary enjoyment of the land by the jodidar or her ryots and that it was only after or shortly before 1898 that free grazing was prohibited and the jodidar's title denied. The Distt Forest officer also reports that, from the situation of the tract it is not possible to utilize the bamboos or other forest

produce growing thereon as there are no facilities for transport. Any claim which she may reasonably advance for compensation would therefore accrue only after her actual possession was interfered with, i.e. from the year 1878. She is not therefore legally entitled to any thing more than a refund of fees for transit without interest amounting to Rs 26/. But as a special case, in consideration of the fact that the tract was included in the State Forest for 39 years during which it is not possible to say that any forest produce was removed at all from it, Government are disposed to sanction the payment of an additional amount of Rs 100/ in full and final adjustment of her claims.
